

PIM invites research paper for 8th National and 1st International Conference 2018

Panyapiwat Institute of Management (PIM) will hold The 8th Payapiwat National and 1st International Conference 2018 under the concept “**Challenge and Opportunity of ASEAN: Innovative, Integrative and Inclusive Development**”, the conference focuses on exchanging knowledge and information about challenges and opportunities of the ASEAN as strategic region under the policy of the Great Power countries. ASEAN is a rapidly growing and improving region among the challenge of economic transformation and investment from labor use to innovation, community integration and sustainable development.

Collaborate with National University of Laos (Laos People's Democratic Republic), National Cheng Kung University (Taiwan), CHUO University, Kansai University (Japan), Northwestern Polytechnical University (People's Republic of China), National Research Council of Thailand, Prachachuen Research Network, College of Asian Scholars and Kasetsart University Sriracha campus. The conference welcomes papers on Social Science, Science and Technology. Registration and more information please visit website <https://conference.pim.ac.th>

PIM would like to invite those who are interested to join this event to present the research and exchange knowledge with each other.
